

Reviewer List

ACKNOWLEDGEMENT

Sixty six research articles, 56 case presentations and 11 letters to the editor were sent to our journal in 2016 and review articles were requested from seven authors.

Ten of 66 research articles were accepted, 39 were rejected and 17 are being evaluated.

Nine of 6 case presentations were accepted, 35 were rejected and 12 are being evaluated.

Four of 11 letters to the editor were accepted, 4 were rejected and 3 are being evaluated.

We sincerely thank the following scientists who have evaluated the articles.
